Card Caution: Online Shopping

Please use caution when shopping online, as not all websites are trustworthy. Some websites may try to, or will successfully, steal your card information. If your card information is stolen, we will have to shut down your card and order you a new one, which may take as long as **14-21 business days** for you to receive.

Debit Card: No Stop Payments

Unfortunately, we are unable to put stop payments on transactions made with a debit card. We are only able to put stop payments on checks and transactions that come through as an ACH.

After Hours Drop Box

Need to make a deposit after hours or on the weekend? Not a problem! With our secure after hours deposit drop box, conveniently located in our vestibule, you'll never have to worry about rushing to get here before we close to make your deposit!

Collecting Emails

With all of our upcoming updates, we would like to start collecting your email addresses in order to keep you all better informed on what we have going on. Please be sure to give us your email address next time you come in, or call us if you're unable to make it in.

Letter from the CEO

Hard to believe it is already Fall. We hope you've all had a wonderful Summer and are ready for the holidays to come, full of family, food, and fun.

We've been busy here at your credit union. Our biggest and most exciting news is that we will be moving our headquarters to 630 Fifth Avenue, right around the corner from our current location. Our new space will be much bigger and have all the modern amenities you expect. Most importantly, it will have a drive thru! We will keep you updated on how this project develops.

Also, over the next few months you will begin to notice upgrades to our mobile banking experience, including the ability to make deposits through remote check capture. We've just started work on this project, there will be more news coming soon.

Even with a new building and electronic banking, we still have the best loan rates in town. Come in and check us out, especially as rates hopefully begin to come down.

Have a wonderful Fall and Holiday Season!

William Hershman- CEO of RS Bellco Federal
