Cheers to 70 Years!

This year, RS Bellco Federal Credit Union is celebrating 70 years of serving our wonderful community! Founded in 1953, we got our start in a local basement under the name Befabel Rochester Federal Credit Union. Our original field of membership included employees of the Rochester and Sewickley sub-divisions of the New Castle District of the Bell Telephone Company, credit union employees, and their immediate families.

It was not until 1960 that we finally changed our name and became the RS Bellco that you all know and love today! Over time, the RS Bellco field of membership expanded and eventually, in 2014, we became a community credit union. We now serve anyone who lives, works, worships, attends school, or volunteers in Beaver County. This change has greatly improved our ability to make a positive impact throughout our community. Be sure to keep an eye on our social media pages for fun facts about our history, as well as for updates on our upcoming birthday party!

A letter from our CEO

First of all, with all of the news lately about the bank failures, I thought I would take this opportunity to reach out and tell you what steps we've taken to make sure your credit union remains safe and sound for years to come.

Starting last summer, we have been watching as rates rise and the recession draws nearer, raising the likelihood of our members needing to access their savings deposits over time. Accordingly, we have both liquidated maturing securities and raised new funds through our CD promotion. In addition, we have multiple other sources of liquidity through lines of credit available to us if necessary. We are very confident we have the reserves to see us through the coming months and years. Please let us know if you've got any questions.

In other news, we have now begun to offer loans on rental properties. Stop in or call to find out more. We've also got a car loan special going on right now, with 1/2% off our already low rates! We've got other new products and services on the way in the coming months, so keep an eye out!

We look forward to seeing you all around town. Be sure to tell your friends and neighbors about us, it's so easy to join!

Thanks as always for your membership,

Bill Hershman, CEO
