70th Annual Meeting

The 70th Annual Members Meeting will be held this year in November. This meeting will address annual business matters, including new products and services we have launched this year, plans for new products and services for the coming year, as well as our plans for expansion.

Elections will be held for positions on our Board of Directors. Snacks and refreshments will be served to those in attendance. More information will be available on our social media pages, our website, and in our office soon.

Please contact the credit union with any questions, intent to attend, or interest in running for a position on our Board of Directors.

Debit Card Warning: Trial Offers

We would like to remind our members that forgetting to cancel a trial offer and being charged for a product is not fraud. By inputting your debit card information to a website for a trial offer, you are authorizing the company to debit your account if you don't cancel, or forget to cancel, your subscription.

Bake Sale

We will be holding our semi-annual bake sale sometime this fall. Be sure to check our website, social media pages, and lobby for more information on when we'll be having it. Proceeds from our bake sale, as always, will go to our scholarship fund.

Importance of Financial Protection

Only 4 in 10

consumers have saved money for unexpected expenses.¹

If your vehicle is deemed a total loss due to an accident or theft, your insurance might not cover your vehicle loan, leaving you with unexpected expenses. But we can help! Our GAP program may reduce or eliminate the gap between what your vehicle insurance will pay and what you owe on your loan.

A letter from our CEO

It's hard to believe it is Fall again, with the cooler nights, changing leaves, and shorter days.

2023 has been a productive year thus far; we've begun to offer business loans, our new credit card product will launch at any time now, and we are progressing with our plans to expand our office and add a drive thru. I hope to share some preliminary drawings in my spring letter.

Our product spotlight this quarter includes information on GAP Insurance, an affordable way to ensure that you are protected in the event your car's value falls below the loan balance and you have an accident.

We've got the annual meeting coming up in November, keep an eye out on our social media pages, and in our lobby for more information. If you or anyone you know, who is a member is interested in running for a position on our Board, please let us know.

Thanks as always for your membership,

Bill Hershman, CEO
