## Letter from the CEO

It's hard to believe the year is half over, still lots of good weather left though!

We're working hard to add products and services that you, our members, want from your credit union. We have recently gone live with our new credit card program, offering a classic card with a low interest rate as well as a rewards card, offering 1.5% cash back, travel, or merchandise, your choice. We will be sending a mailer soon but if you are interested in the meantime, give us a call.

We will also be rolling out a mortgage loan program in the coming months, with more details to come.

Finally, we are hoping to make an announcement soon on facility enhancements which will include amenities many of you have asked for over the years.

In the meantime, come in and check out our rates on motorcycles, boats, and RVs while there's still time to get out and enjoy them!

Bill Hershman- CEO of RS Bellco Federal Credit Union
